# Moonlight Lullaby

for TTBB choir

*“I pray to the moon, so tranquil and serene,  
As you lay down your head.  
I hope the moon watches over you,  
While you rest in peace.  
Sweet dreams, sweet dreams.  
The hanging moon, eclipsing the stars,  
Casts its warmth around the sky.  
And your soul, sweetly resting,  
Awakened by and by,  
By the calming light of the sunrise.  
I pray to the moon, so tranquil and serene,  
As you lay down your head.”*
